

Referral Letter - Cardiology

Dear Cardiology,

Re: Patient 1 (R001)

DOB: 1970-01-15

Reason for referral: chest pain.

History: Seen in family medicine for ongoing symptoms. Prior treatments tried with partial response.

Medications: Metformin, lisinopril.

Allergies: NKDA.

Recent tests: CBC, electrolytes, ECG if applicable.

Please assess and advise.

Sincerely,

Primary Care Physician
