

Referral Letter - Endocrinology

Dear Endocrinology,

Re: Patient 3 (R003)

DOB: 1972-03-15

Reason for referral: diabetes management.

History: Seen in family medicine for ongoing symptoms. Prior treatments tried with partial response.

Medications: Metformin, lisinopril.

Allergies: NKDA.

Recent tests: CBC, electrolytes, ECG if applicable.

Please assess and advise.

Sincerely,

Primary Care Physician
