

Referral Letter - Orthopedics

Dear Orthopedics,

Re: Patient 7 (R007)

DOB: 1976-07-15

Reason for referral: joint pain.

History: Seen in family medicine for ongoing symptoms. Prior treatments tried with partial response.

Medications: Metformin, lisinopril.

Allergies: NKDA.

Recent tests: CBC, electrolytes, ECG if applicable.

Please assess and advise.

Sincerely,

Primary Care Physician
