

Referral Letter - Psychiatry

Dear Psychiatry,

Re: Patient 8 (R008)

DOB: 1977-08-15

Reason for referral: anxiety.

History: Seen in family medicine for ongoing symptoms. Prior treatments tried with partial response.

Medications: Metformin, lisinopril.

Allergies: NKDA.

Recent tests: CBC, electrolytes, ECG if applicable.

Please assess and advise.

Sincerely,

Primary Care Physician
