

Referral Letter - Urology

Dear Urology,

Re: Patient 20 (R020)

DOB: 1979-02-15

Reason for referral: urinary symptoms.

History: Seen in family medicine for ongoing symptoms. Prior treatments tried with partial response.

Medications: Metformin, lisinopril.

Allergies: NKDA.

Recent tests: CBC, electrolytes, ECG if applicable.

Please assess and advise.

Sincerely,

Primary Care Physician
