

Referral Letter - Dermatology

Dear Dermatology,

Re: Patient 2 (R002)

DOB: 1971-02-15

Reason for referral: rash.

History: Seen in family medicine for ongoing symptoms. Prior treatments tried with partial response.

Medications: Metformin, lisinopril.

Allergies: NKDA.

Recent tests: CBC, electrolytes, ECG if applicable.

Please assess and advise.

Sincerely,

Primary Care Physician
