

Referral Letter - Gynecology

Dear Gynecology,

Re: Patient 5 (R005)

DOB: 1974-05-15

Reason for referral: abnormal bleeding.

History: Seen in family medicine for ongoing symptoms. Prior treatments tried with partial response.

Medications: Metformin, lisinopril.

Allergies: NKDA.

Recent tests: CBC, electrolytes, ECG if applicable.

Please assess and advise.

Sincerely,

Primary Care Physician
