

Referral Letter - Gastroenterology

Dear Gastroenterology,

Re: Patient 14 (R014)

DOB: 1973-05-15

Reason for referral: abdominal pain.

History: Seen in family medicine for ongoing symptoms. Prior treatments tried with partial response.

Medications: Metformin, lisinopril.

Allergies: NKDA.

Recent tests: CBC, electrolytes, ECG if applicable.

Please assess and advise.

Sincerely,

Primary Care Physician
